SLEEPLESS SOCIETY
@ SAMED

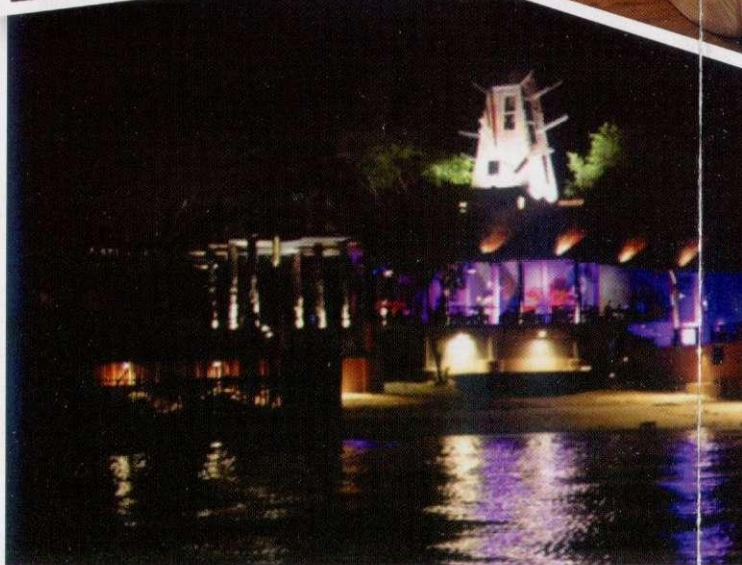

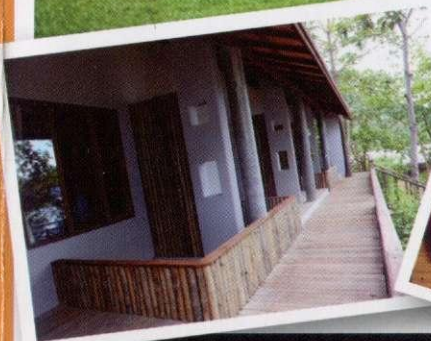

Destined to become one of the most exciting entertainment sensation on Samed island (Koh Samed), Bar & Bed is a complete discovery that combines a hip hangout venue with a charismatic lodging for those who yearn for both exceptional fun and engaging relaxation.

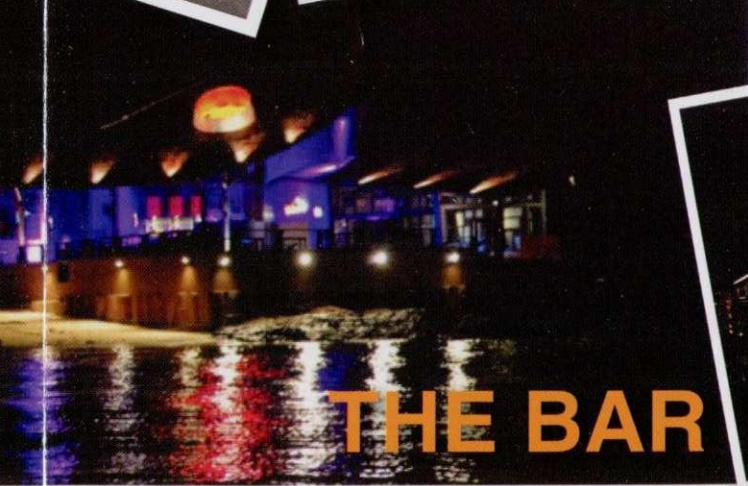

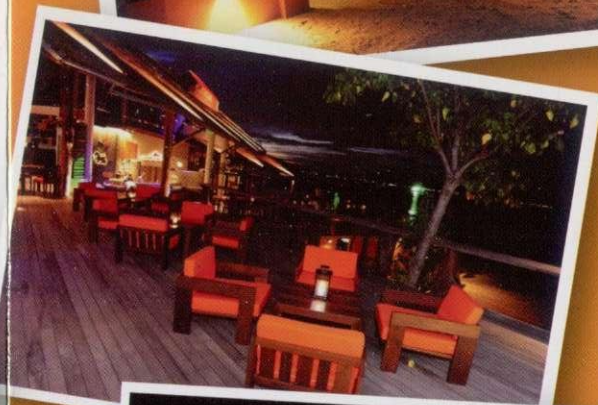

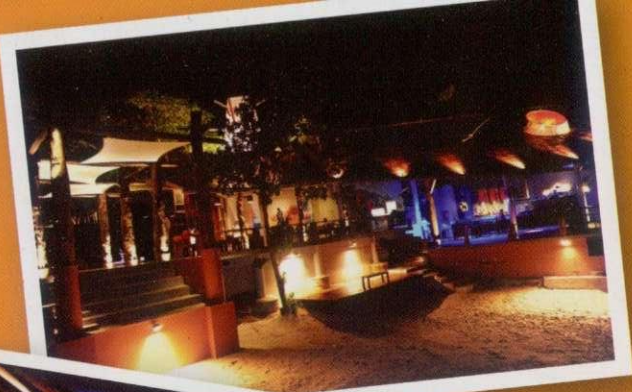

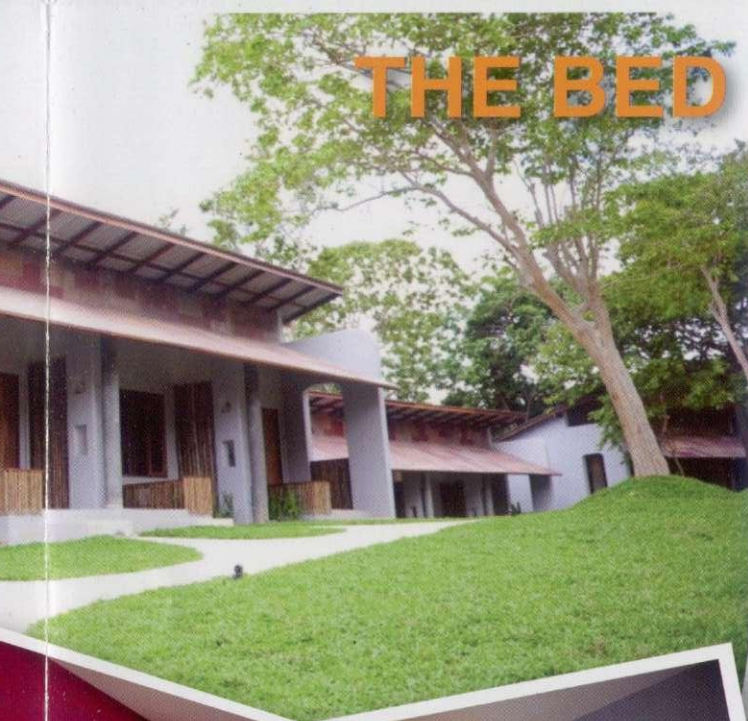

The Bar presents a chic, stylish yet breezy-looking feel to accommodate hundreds of guests, who can move into the night along all types of tunes, from house to techno, trance to electro and many more, selected by various trendy DJs. The venue is also designed and prepared to accommodate other functions, whether they be private parties, events, or even concerts in an ambience like no others.

At the back of the Bar, a cluster-style, low-rise hotel of 32 rooms awaits our guests. Lying in the midst of shady hills, all rooms are surrounded by trees and refreshing sea breeze, while the fun air from our bar remains within near walking distance.

Bar & Bed is located on Samed island's Ao Noi Na, which is accessible by an approximate 15-minute speed boat ride or a 30-minute ferry boat ride from Ban Phe Pier on the mainland. Guests from Koh Samed, Ban Phe, Rayong or even Pattaya, can have an 'out-of-this-world' blast without having to make a long journey. Driving from Bangkok to Ban Phe Pier takes just a little more than 2 hours.
